## FAST and EASY Instant Shipping Options

Online shipping is as convenient as ever! Just pack your pieces with your Order Form in any box, seal with tape and use either the Post Office's or UPS's online shipping service. SIMPLE!

**United States Postal Service Click-N-Ship®** - You can print out a USPS shipping label online right now...and then schedule a **free pick-up** from your home or office. Just go to the Click-N-Ship® site <https://sss-web.usps.com/cns/landing.do> and once you've completed your label, simply click on the Carrier Pickup link to request next-day pickup. Of course, you may drop off your package at your local Post Office or hand it to your delivery carrier, too. Whichever works best for you.

**United Parcel Service (UPS)** - The same services are available from UPS. Just go online and create your shipping label. (Note: Registration is a bit more involved with UPS than with the Post Office.) Go to <https://www.ups.com/myups/login>. Register and then follow the directions.

Or just cut out the mailing label above and use it to ship your order by any carrier you prefer. **Plating orders are completed and shipped back 8-10 weeks from when they are received. Sterling restoration orders are shipped back in 10-12 weeks.** Sorry, no rush orders.
